

# Competency-Based Education: The Why, What, and How

## Graduate Profile Template

# Graduate Profile | Brainstorm

Set a timer for 10 minutes and brainstorm around the following prompts. As you're thinking, consider multiple dimensions of student skills including cognitive, personal, interpersonal, etc.

<b>My graduate has experience with...</b>	<b>My graduate views themselves as...</b>	<b>My graduate will know...</b>	<b>My graduate will be ready to [do]...</b>	<b>The leadership of my school and community are especially proud of graduates that are like/can do...</b>
<i>Ex: Solving multidisciplinary problems</i>  <i>Brainstorm here...</i>	<i>Ex: A strong communicator who can present ideas clearly and concisely</i>	<i>Ex: Role and structure of government and opportunities for civic participation</i>	<i>Ex: Manage and deliver a project on time, in accordance with identified needs</i>	<i>Ex: Can persist and complete challenging tasks, even in the face of adversity</i>

# Graduate Profile

In the boxes below, write your six graduate profile characteristics. Include a sentence of explanation for each about why it's especially important. Consider also including an example.

Characteristic 1	Characteristic 4
Explanation/example...	
Characteristic 2	Characteristic 5
Characteristic 3	Characteristic 6
